- **Alerting at Milestones:** As with the previous criterion, it's important to notify our support team at the ad spend milestones. This can be done by emailing support@buildtestscale.com.
- **Approval from Coaching Team:** Before proceeding past each milestone, you must receive approval from our coaching team. This approval is based on their assessment of your campaign's performance and the effectiveness of your ad spend.
- **Incorporating Suggestions for Improvement:** It's essential that you give our team time to weigh in with suggestions for improvement at each milestone and implement these before proceeding further. This collaborative process ensures that your ad spend is being utilized in the most effective way possible.

THE ROLE OF STRATEGIC INVESTMENT IN SUCCESS

This criterion emphasizes the importance of a strategic and well-managed investment in advertising. By meeting this requirement, you demonstrate your dedication to the process and your willingness to invest in finding the most fruitful marketing strategies. Your active engagement with our coaching team and adherence to their guidance are critical to optimizing your ad spend and maximizing the potential for success in your affiliate marketing endeavors.
